### **032 ENG Tongue Twisters**

Tongue twisters are a good and fun way to improve pronunciation.

After you've practiced each one a few times, try to say them fast three times in a row.

Challenge your friends to do the same!

Here are some of my favorites.

Peter Piper picked a peck of pickled peppers.

She sells seashells at the seashore.

The big black bug bled black blood.

Unique New York.

Try it!

That's all for now.

See you next time!
